

## Dance in the Park

*5x32R - 2C – couples facing each other round the room*

- 1-8 All take hands and advance (while bringing the hands in the air and cheer) & retire, then dance right hands across
- 9-16 All take hands and advance (while bringing the hands in the air and cheer) & retire, then dance left hands across
- 17-24 Turn person opposite right hand once round, then turn partner left hand once round.
- 25-32 Progression: Changing arches: couples facing counter clockwise make arch and let the other couple pass under to face a new couple, then couple facing clockwise make arch and the other couple pass under to face the next couple and so on (2 bars per change – 4 changes in total to face the 5<sup>th</sup> couple).

Start again with this new couple

*Devised July 2015 by Jette Rossen for the dancers joining the Dance in the Park sessions on Fridays in July and August in Park Georges-Henri in Woluwe-Saint-Lambert, Brussels.*
