Asociacion Española de Patchwork was founded in 1998 with the goal of promote patchwork in Spain, spread the patchwork and quilting spirit and create a network in the textile world among our members both national and international.

In 2014, there are around 2000 guild members. Our head office is in Barcelona having delegation network all over Spain. There is a guild coordinator in each of the 50 cities including Mainland and the Isles.

The Guild organizes 2 main events, the International Patchwork Festival in Sitges, near Barcelona and a national Exposition with a different venue within Spain every year.

Asociacion Española de Patchwork is a member of the EQA and happily contributes with the rest of the member countries spreading patchwork and quilting over Europe
